Update: US Lacrosse High School Awards Program

Due to the nationwide disruption of the high school lacrosse season caused by the coronavirus pandemic, US Lacrosse is postponing the 2020 High School Awards Program until further notice. This suspension includes both the boys' and girls' high school All-America Award and All-Academic Award, as well as the other annual awards that are part of the program.

At this time, the spring lacrosse season has been canceled or suspended in many parts of the country. US Lacrosse is closely monitoring lacrosse participation in all regions and remains in close contact with the US Lacrosse Area Chairs who facilitate the awards process in their areas. US Lacrosse's online nomination link for 2020 AA and AAA submissions has been closed.

US Lacrosse continues to closely monitor nationwide high school lacrosse participation levels and will announce any changes to the status of the awards program that may be warranted.

In the interim, we will be launching another High School initiative this week to recognize high school players who are making an impact in their communities during this unprecedented time.

US Lacrosse encourages individuals to visit www.uslacrosse.org or our social media sites for further updates or information about our programs and services.

About US Lacrosse

US Lacrosse, a 501(c)(3) nonprofit corporation, is the national governing body of lacrosse and the home of the nation's fastest-growing team sport. US Lacrosse, which coordinates all activities of the U.S. National Teams Program, has nearly 450,000 members across the country. Through responsive and effective leadership, US Lacrosse provides programs and services to inspire participation while protecting the integrity of the sport.
