# 1976 Hobart Men's Lacrosse

**Coach:** Jerry Schmidt

**Assistant Coaches:** Dave Urick

**Record:** 13-3

## Highlights:

1976 was to be a rebuilding year for the Statesman. Hobart had graduated four first team all Americans – one at each position.

An early season 13-9 loss to a talented top ranked Adelphi team on Long Island made for a long bus ride back to Geneva. This was followed by an 18-15 win over a resurging Syracuse program and a huge 15-11 win in Maryland over a top ranked Towson State Team.

We met the #1 ranked Adelphi University team in the Finals. Adelphi had maintained the top ranking all season long and entered the game favorites. It was a very confident Long Island team that took the field that day in Baltimore. However, we were on mission. When the smoke cleared at the end of the first quarter – we led 10 to 1 and never looked back on our way to a convincing 18-9 National Championship Title win.
